

## Carbon brushes for small motors

carbon products & supplies for industry

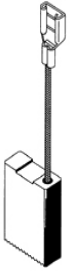

The company **CARBONEX** was founded in 1976 by Panagiotis Vasiliadis and has been involved in the manufacturing of carbon units for each type of engine and the all applications from carbon brushes.

Important investments in mechanical equipment, our long-lasting experience but also our collaboration with one of the bigger industrial groups of Germany, Group SCHUNK that complies with ISO 9001 specifications , which us give the possibility of using more suitable qualitatively raw material, of watching the last technological developments of branch and of producing our products with the stricter specifications, in order to you are you sure for the safety and the good operation of your equipment.

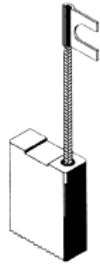

The accent in the quality and the service of our customers, continuous increase of our range with new products of high specifications are the elements that led in up to now our ascendant course because name **CARBONEX** means: **QUALITY - CERTAINTY - SERVICE.**

With friendly greetings  
Vasiliadis Andreas & Antonis
